

**n**ickson's line of retail exhaust accessories continues to reinforce the image of quality and attention to detail that goes into all of our products. With sharp, eye-catching high-contrast red and black packaging and realistic, digitally generated product shots, our retail accessories are sure to catch the eye of potential customers. And the multi-lingual product description and sizing is sure to garner the sales

of English and Spanish speaking customers alike. Nickson is constantly transforming ideas into usable products which are designed with the utmost attention to quality and purpose. By continuing to focus on application, quality, control, durability, and ease of installation, Nickson Industries, Inc. is the source for all your retail exhaust accessories.

## MUFFLER CLAMPS

These heavy duty clamps feature an 11 gauge saddle with reinforcing ribs, and a 3/8" u-bolt with flange nuts. They provide the do-it-yourselfer with the same high quality, leak-free clamps that the professional installers use.

### PREMIUM HEAVY DUTY STYLE

### PREMIUM HDGM STYLE

The premium HDGM style heavy duty clamp comes with a 3/8" u-bolt and zinc plated flange nuts. The unique HDGM saddle has the popular flat-bottom, with drawn cup ends and round bolt holes for greater nut bearing surface. This product offers superior strength and higher clamping pressures than outdated open channel, or conventional guillotine type designs.
